

## Pellman's Automotive Referral Program

We believe in the power of word-of-mouth advertising! All of us at Pellman's know the most dependable tips about the best places to patronize come from our friends and family. When people we know and trust tell us something is good, we believe them! That's why we appreciate it so much when our customers recommend us to their own friends and family. Not only is it a great compliment, but it starts our relationships with our new customers off on the best foot possible.

When you refer a friend to Pellman's, we show that appreciation with a **\$10 credit for each of you!** It's our way of thanking you for the good word, and starting off our new relationship with goodwill!

### How does our referral program work?

- Remove the referral card below
- Fill out the card with your information
- Give the referral card to your friend or family member (Valid only if the customer is new to our facility)
- Ask them to present the referral card when they bring their vehicle in for service.
- On their first visit, we will give each of you a \$10 credit.
